Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Tonyrefail and District Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- The Council has not provided a sufficiently detailed explanation of variances between the 2022-23 and 2023-24 accounts
- The Council did not retain copies of supporting invoices for all transactions
- The Council did not retain sufficient records to support the payments disclosed as staff costs

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 1: The Council did not make proper arrangements for the approval of accounts and failed to approve the accounts by 30 June 2024 or publish a notice to explain why this did not take place as required by the Accounts and Audit (Wales) Regulations 2014

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Accounts reconciliation

We were unable to fully reconcile the Accounting Statement to the Council's underlying records. This includes reconciling the year end debtors balance to a schedule of debtor balances and the reported asset values to the Council's asset register. The unreconciled differences are not material and do not impact on the Council's overall financial position.

We recommend that for future audits, the Council provides a full reconciliation from its accounting records to the Accounting Statement.

Payments to DPS Construction

We examined a payment made to DPS Construction and noted the following:

- The invoice provided by the company did not have a valid VAT number. We recommend that the Council resolves this with the company to ensure VAT is paid and reclaimed appropriately
- We were unable to identify this payment in the schedule of payments approved by the Council. We recommend that the Council ensures its approval process is followed for all payments made.

Information required for audit

Each year we send the Council a notice of audit that sets out the information we need to complete the audit. Failure to provide this information on a timely basis increases the cost of the audit.

Although the Council explained the reasons for an initial delay and that the accounts would not be submitted by 12 August as initially requested, the Council did not provide all of the information specified in the audit notice when it did submit the accounts for audit. This necessitated additional correspondence with the Council that resulted in additional audit fees being raised.

We recommend that the Council reviews the 2024-25 audit notice to ensure that all required information is provided alongside the annual return for 2025.

There are no further matters I wish to draw to the Council's attention.

 Richard Harries, Director, Audit Wales For and on behalf of the Auditor General for Wales	Date: 12/06/2025
